DELINQUENT UTILITY ACCOUNTS

The Hills City Council will take action at a regular City Council meeting on Monday November 10, 2026 to forward delinquent utility bills to be assessed against real estate taxes.

Assessments will include utility costs due and payable through the November 16, 2026 billing period including late fees & penalties. Pay-off your utility account on or before November 16th and keep your account current to avoid any special assessments to be placed on your property taxes.
